

ISABELLE JONES

Architectural Designer

(360) 998-1463 | Jonesisabellemon@gmail.com | linkedin.com/in/isabelle-jones02 | jonesisabellemon.wixsite.com/designportfolio

PROFILE

Graduate architecture student (M.Arch candidate) with hands-on practicum experience in professional practice, including interior renovation design, biophilic and wellness-focused design research, construction documentation, and code compliance. Strong technical skills in Revit and adjacent design software, with a growing focus on public-interest and human-centered design.

RELEVANT EXPERIENCE

Architecture Intern — Design Practicum — Ankrom Moisan — Portland, OR Winter/Spring 2026

- Led design development of a central corridor renovation for a confidential corporate client, transforming a transitional hallway into an experiential space that improved wayfinding and supported employee wellbeing.
- Developed a biophilic design concept centered on preserved moss wall installations, from initial spatial studies through construction detailing.
- Produced detailed Revit drawings and construction documentation, including wall depth, mounting systems, and track detailing.
- Conducted code research related to egress width, fire safety, and occupant load to ensure design compliance.
- Researched and evaluated preserved and panelized moss wall systems, contacting regional vendors to gather pricing, technical data, and material samples; completed cost and square footage analysis to inform budget decisions.
- Collaborated with the design team via weekly Zoom client meetings and Conceptboard, presenting design revisions and technical coordination at weekly reviews.
- Participated in a programmatic dining study, observing café and foodservice operations to inform space planning for events ranging from small meetings to 600-occupant gatherings.

Study Abroad — Architectural History — ISI Florence, Italy 01/2024 – 05/2024

- Studied the architectural history of Florence through guided tours of the Uffizi Gallery, Palazzo Pitti, Palazzo Vecchio, Duomo, and Accademia Gallery, gaining insight into the evolution of architectural styles and urban development.

ADDITIONAL EXPERIENCE

Center Assistant — Wee Care Day Care & Preschool — Vancouver, WA 06/2025 – Present

- Support classroom teachers with daily supervision, activities, and routines for groups of children in a licensed childcare setting.

Site Leader / Summer Staff — Longview Parks & Rec • Three Rivers Christian School 2022 – 2024

- Supervised recreational programs for 20+ children per session; supported a school relocation and renovation project.

EDUCATION

Portland State University — Master of Architecture Expected 06/2027

University of Hartford — Bachelor of Science, Architectural Design + Technology Graduated 05/2025

Honor Roll – Dean's List

Lower Columbia College — Associate of Arts Graduated 06/2021

3.74 GPA (Unweighted) • Honor Roll – President's List

SKILLS

3D Modeling & 2D Drafting: Revit, AutoCAD, Twinmotion, Lumion

Visual Design: InDesign, Illustrator, Photoshop, Lightroom, Conceptboard

Design Focus Areas: Interior design, residential design, hospitality design, Biophilic & wellness design, code & egress research, construction documentation, vendor coordination
